
2010 MGFA Grain Grading Schools

Co-sponsored by: Victor Lundeen Company

The Minnesota Grain & Feed Association will again be sponsoring grain grading schools at two locations this spring. Each school is conducted in a very practical manner by licensed grain inspectors. The first grain grading school will be held on Tuesday, March 30 at the (Best Western) Bigwood Event Center, Fergus Falls. The focus at this school will be on the grading of all three major grains, corn, soybeans, and wheat. The second grain grading school will be held on Wednesday, March 31, at the Jackpot Junction Casino Hotel, Morton. The focus at this school will be on soybeans and corn, but wheat will also be covered at the end of the day for those interested. Each school will begin at 9:30 AM and conclude by 3:00 PM (lunch included). Proper use of grading equipment will be demonstrated and each participant will receive a participation certificate.

The cost for the school is $75 for the first person from a member firm and $65/person for additional attendees from the same member firm. The non-member charge is $90/person. The cost includes training materials, training personnel time, breaks and lunch. The size of each school is limited so early registration is encouraged.

To register, complete the registration form below. Return the form, along with a check to the Minnesota Grain & Feed Association. Cancellations will be accepted up to 48 hours prior to each school. After that date a full refund cannot be guaranteed. We encourage pre-registration so we can assure meal counts, material availability, etc. You don't want to be gambling with your grades. Why not improve your odds and get your firm involved in a very worthwhile event.
