

Dear Supplier:

**Do you do business in North Dakota?**  
Would you like to? If so, this offer is of interest to you.

Your 2012 Directory of Licensed and Bonded Country Elevators in North Dakota is now being compiled and we solicit your advertisement.

This advertisement prospectus presents rates and sizes of ads. If you advertised with us in 2011, a copy of your ad is enclosed. To advertise in the 2012 Directory, complete the "RESERVE YOUR SPACE NOW" information asked for in this prospectus and **return** it to us with your **ad copy**. We would like to have this as soon as possible, but no later than **November 21st**.

If your ad has changes and is being sent to us on a disk, also send us a printed copy of the ad. Electronic copy should be emailed to [sbenson@ndgda.org](mailto:sbenson@ndgda.org) and include "directory ad" in the subject line. The "RESERVE YOUR SPACE NOW" information still needs to be completed and mailed along with a printed copy of your new ad.

Thank you for letting us serve you. We look forward to hearing from you soon.

Sincerely,

NORTH DAKOTA GRAIN DEALERS ASSOCIATION

Sue Benson  
Editor & Advertising Manager

## ADVERTISING Coverage

An ad in the North Dakota Grain Dealers Association 2012 Directory is your most direct form of advertising in the grain, seed, feed, fertilizer and agricultural chemical trade. Approximately 725 copies will be printed. Plans are to have directories in your clients' hands by **early March 2012**.

One copy of the Directory is sent to:

- each of our grain elevator members,
- each of our allied members,
- each advertiser.

When firms advertise, they consider the "impact" of various media upon their readers. Helping you to reach the most **buyers**, not the most readers, is our purpose. "Contacts" made from an advertisement in your Association Directory will be made with people you can do business with and the "impact" will be for a whole year.
